Remarks

Here is a great opportunity to own a completely renovated new construction home built 2013 with 2 Bedroom 1 Allentown End of Row home that features an oversized garage in the rear. Open concept living room dining room with updated flooring leads to a nicely sized kitchen with white cabinetry, brand new quartz countertops, and all new stainless steel appliances. Upstairs there are 2 nicely sized bedrooms with new carpet and a full bathroom with updated flooring. Also on the 2nd floor is laundry/dryer hookup which is very convenient. Out back you'll find a nicely sized yard and oversized garage excellent for cars or storage. This property features a brand new windows, newer roof, updated lighting and more. Nothing to do but move in! Great for an owner occupant or an investor. Property sold with a Clear CO. Minutes from major highways and easy access to public transportation, Iron Pigs Stadium, the waterfront development, and all the new Downtown Development. This property is a must see!
